

Underwear COOLMAX®

Functional underwear made out of COOLMAX® fibres. The especially shaped fibres transport the humidity away from the body and keep the skin dry. The comfortable fabric avoids rubbing and cold feeling in strongly ventilated suits. Wearing COOLMAX® clothing enables more dry and comfortable working in the protective suit.

- fiber material with hydrophobile properties
- breathable fabric
- antibacterial and antistatic properties (EN 1149-1 und -3)
- comfortable wearing
- color: grey
- machine washing at 40° C (no use of fabric softener or bleacher recommended), machine drying possible
- packing unit: 1 pc..
